Bachelor of Social Sciences (Honours) in Asian Studies*

PROPORTION OF GENERIC AND SPECIALISED MODULES

Employment Pathways

*The accreditation status of the programme is subject to the final approval of the HKCAAVQ.
**HOLISTIC STRUCTURE**
- Students are provided with fundamental knowledge of social sciences and humanities with respect to issues in the Asian context.
- Programme-specific modules are offered by the Department of Social Science. This ensures the linkage and coherence of the modules offered.

**MULTIDISCIPLINARY APPROACH**
- The programme provides multidisciplinary knowledge and training in social sciences and humanities.
- Students are trained to evaluate situations and problems by adopting multidisciplinary perspective in the Asian context.

**OVERSEAS EXPERIENCE**
- Students gain overseas experience in Asia, such as academic exchange, study tour, summer institute, voluntary work or placement.
- Cross-cultural experience cultivates students' critical thinking and communication skills and respect for cultural diversity.
- The programme equips students with the ability to work effectively in a multi-cultural environment.

**ASIAN LANGUAGE TRAINING**
- Students are required to attain at least 6 credits in Japanese, Korean or other Asian language modules.
- The programme offers advanced level language modules as electives to enhance students' competitiveness in the job market or further study.
Hang Seng Management College  
**Bachelor of Social Sciences (Honours) in Asian Studies***  
* The accreditation status of the programme is subject to the final approval of the HKCAAVQ.
