香港資優教育學苑簡介

願景

- 資優學苑的宗旨是成為具備有效策略規劃的地區樞紐，致力提供合適課程，以鼓勵並培育資優學生，並向教師、家長、其他研究人員和香港特別行政區相關機構提供支援。

使命

- 我們致力確保 10 至 18 歲的資優學生獲得合適的學習和發展機會，讓他們在學術及非學術的寬廣學習範疇中發揮潛能，包括領導才能、創造力及人際交往能力，以照顧他們的社交情緒需要，以及培養他們對本地社會的承擔感。

- 此外，我們亦：
  - 推動並引導家長、教師、學者、商界及社會領袖的興趣和努力，期望為所有資優學生創造有利及強化學習的環境；
  - 促進教師在識別及支援校內資優學生方面的專業發展；
  - 透過與本地及海外教育理念相近的機構之間的夥伴關係，發展成延展資優教育研究以及交流意見與優良措施的知識樞紐。

本苑宗旨

- 行政長官於 2006 年 10 月的施政報告中公佈成立一所資優教育學苑（香港資優教育學苑，簡稱「資優學苑」），為具備卓越才華的學生提供有系統、富連貫性及具挑戰性的校外培訓課程，以及實踐資優教育和推廣有關理念，以支援教師與家長。立法會教育事務委員會於 2006 年 11 月，討論當局撥款成立資優學苑的建議。
- 院長履新後，香港資優教育學苑於 2008 年初非正式開展其計劃和籌備工作，並於 2008 年 9 月開始提供服務，承接教育局的學生課程和家長支援服務，此外亦自行開辦課程。
- 資優學苑旨在為本港三類主要持份者（學生、教師和家長）提供資訊、支援和參考建議。自 2012 年初起，本苑亦增設研究項目，以提供更多支援服務。

本苑定位

- 資優學苑以獨立於政府機構的模式，靈活地管理和運作。

The Hong Kong Academy for Gifted Education

The Hong Kong Academy for Gifted Education is a non-profit organisation subvented by the Education Bureau of Hong Kong Special Administrative Region Government. We work with all schools and universities in Hong Kong, as well as experts from around the world, to provide off-school gifted education programmes for gifted students aged 10 to 18 with the aim of stretching their potential.

VISION

The HKAGE aims to become a regional hub of its kind with an effective framework for strategic planning and delivery of appropriate programmes to encourage and nurture gifted students, and to provide support to their teachers and parents as well as other researchers and related organisations within the Hong Kong SAR.

MISSION

Specifically, our mission is to secure appropriate learning and development opportunities for gifted students, aged 10 to 18 years, to enable them to realise their potential in a wide range of learning domains including academic and non-academic areas including leadership, creativity and interpersonal skills, and to cater for their social and emotional needs as well as their sense of commitment to the community;

In addition, we also have to

- Mobilise and steer the interest and effort of parents, teachers, academics and business and community leaders with a view to creating a conducive and enriching learning environment for all gifted students;
- Facilitate the professional development of teachers in the identification and support of gifted students within the school context;
- Develop, through partnership with like-minded organisations, both locally and in other countries, a knowledge hub for furthering research on gifted education and the exchange of ideas and best practice.

PROVISION AND SUPPORT FOR STUDENTS

Our target population is Hong Kong's gifted students. We aim to secure appropriate learning and development opportunities for gifted students, initially aged 10 to 18 years, to enable them to realise their potential in a wide range of learning domains including academic and non-academic areas including leadership, creativity and interpersonal skills, and to cater for their social and emotional needs as well as their sense of commitment to the local community.
